D.T.E. 05-68

SECOND SET OF INFORMATION REQUESTS OF THE  
DEPARTMENT OF TELECOMMUNICATIONS AND ENERGY TO  
KEYSPAN ENERGY DELIVERY NEW ENGLAND

D.T.E. 2-20

Date: February 14, 2006

Respondent: Elizabeth D. Arangio

- Q. Refer to pages 38-42 of the Company's filing. Please present a backcast of the actual versus forecasted direct transportation sendout.
- A. The Company used actual direct to transportation volumes to reduce the forecasted incremental sendout volumes for firm sales service for the period 2006 through 2010. The company did not forecast the incremental sendout for direct to transportation volumes until this filing.
